Citizens Advice Cheshire West

WHO ARE WE?

We are a locally focussed charity and the largest independent advice agency in Cheshire West and Chester. We operate four full-time offices, in Chester, Ellesmere Port, Northwich and Winsford, offering information, advice and assistance on most aspects of social welfare law. In 2017/18, we helped around 16,000 people from across the areas we serve.

WHAT WE DO

We provide free, impartial advice and information on a range of issues including employment, benefits, housing and debt. We offer a comprehensive service of information, advice, advocacy and representation, as well as working actively for change in the policies and practices of organisations that impact on the lives of the people we work with.

WHO WE WORK WITH

Through our daily interaction with residents from Cheshire West, we have an in-depth understanding of the issues local people are struggling with and we use our data and insight to tailor our services so that they help address the needs of local people.

RECOGNISING NEEDS

We recognise that problems don't just happen in isolation, but can have a severe effect on people's lives. Solving them helps to stop these situations escalating. The wider impact of advice (what we achieve as a result of solving problems and providing support) is just as important. Four out of every five people we work with said that our advice helped improve their lives.

THE DIFFERENCE WE MAKE

Having a problem can adversely affect a person's mental or physical health. 70% of the people we help say they feel less stressed and 46% say their physical health improved. This is also true for people with existing health conditions who require additional support from health services. 57% said they were better able to manage their condition after coming to us.

Our values

We're respectful. We treat others as we would wish to be treated ourselves.

We're helpful. We work cooperatively.

We're effective. We seek to secure the best-possible outcomes.
